

RKP Series

The RKP series 1U LCD Key drawer is available with a 15 or 17" SAMSUNG Class A LCD panel, the rack mount drawer ships as standard with both PS/2 and USB (Combo) connectivity and with either touchpad or trackball in most European keyboard language layouts.

- 15" or 17" TFT LCD screens
- Extended slide rails provide clearance distance between rack panel mounts and rear of the LCD screen
- Slide rails with lock out slides prevent movement of the keyboard
- A selection of keyboard and mouse options
- All mounting hardware included
- KVM available with USB and PS2 options
- KVM over IP switch bundles available, taking up only 1U of space
